## *Gentlemen of the world!*

*Your repeated and daily condemnation of crimes against humanity, another indecency,*

*The shame of humanity and the mockery of Afghan blood is oppressed and condemned to martyrdom.*

*Of course, the symbol of "the evil dragon" and "drunken bell" Mr. Trump (bother to issue*

*Which tweet did not spontaneously.*

*Afghanistan is a bloodbath and a culmination of cruel terrorists' terrorism that was repeated yesterday in Nangarhar with barbarism and barbarism.*

*The address of the terrorist assassin carries with it all, including Taliban, ISIL, and more famous than the infidel Iblis, and even the biggest supporter of Mr. Trump in his first tweet (January 6th) confessed and disclosed it.*

***Mr. Antonio Guterras, UN Secretary-General:***

*More than that, and that UN-backed insurgency, what is going on in Afghanistan, is a simple and simple human rights tragedy and a bloody and repeated tragedy of atrocious war crimes and inhumane crimes that UNAMA confesses to more than two hundred and fifty people this year alone. Has taken over Afghan property.*

*You have the authority and responsibility under the UN Charter to prosecute these crimes against humanity, identify the perpetrators, and facilitate the trial of the lives.*

*The United Nations Security Council must strongly praise the host country of terrorism and the government that sponsors terrorism, which is Pakistan.*

*On the inside, however, are the partners of the most oppressed killers of God, these political elites who, contrary to the highest interests of Afghanistan, are engaged in ethnic games and power-seeking and are salting their homeland.*

*It seems to me that the real need and condition for the survival of Afghan society is genuine and lasting peace.*

*With dignity*
